Club Information

Clay County Trail Blazers Snowmobile Club is based in Glyndon, MN. We meet the 4th Monday of the month at the Club Groomer shack at 7:30pm. We have 126 members and have formed an agreement with the Felton Rough Riders Snowmobile Club and the Hawley Angry Dragons Snowmobile Club to connect the **184 miles** of trails in Clay County to other trails in ND & MN.

We hope to involve more snowmobilers' county wide into our efforts. We have been maintaining and grooming trails from the Red River near Rustad, MN, all the way to the Lake Park Trails to the East and the Felton-Hitterdahl Trails to the North of Hawley. We do this while giving access to the following communities: Barnesville, Dilworth, Felton, Georgetown, Glyndon, Hawley, Hitterdahl, Moorhead, Sabin and Ulen via "Snowmobile" for the riders of the area.

The cost of maintaining a snowmobile trail has increased to approximately $405.00 per mile for the entire winter. Once again this year, we will be doing the entire trail grooming in Clay County. We have been very successful doing all of the grooming operations ourselves, which we could not have completed with out your help. We are offering the Businesses of the Clay County and the Fargo-Moorhead Area the opportunity to advertise and support Snowmobiling in Clay County by securing a place on our Trail Map.

Maps will be distributed County Wide. **We Appreciate Your Support!**
